Fima Spillo Tech Basin and Vessel Mixers

Fima, established in 1960 by Carlo Frattini - is dynamic, international and absolutely contemporary in nature. Innovative unique solutions in terms of design, quality and functionality are based on three specific values summarizing their design philosophy;

#GREEN

An environmentally friendly company, powered by self-produced electricity and able to produce products safe for human health and the environment with a very low environmental impact.

#QUALITY

Best materials and cutting-edge technologies as a guarantee for an everyday use, unchanging over time.

#DESIGN

One-of-a-kind products, designed to maximise comfort in use with an unmistakable hint of 'Made in Italy'.

Partnered with Paterson, Fima is made available as an exclusive indent range.

Paterson; now your bathroom has a name.
